## **Drive All Night**

## **Bruce Springsteen**

When I lost you honey sometimes I think I lost my guts too And I wish God would send me a word send me something I'm afrai d to lose Lying in the heat of the night like prisoners all our lives I get shivers down my spine and all I wanna do is hold you tigh t

I swear I'll drive all night just to buy you some shoes And to taste your tender charms And I just wanna sleep tonight again in your arms

Tonight there's fallen angels and they're waiting for us down i n the street Tonight there's calling strangers, hear them crying in defeat. Let them go, let them go, let them go do their dances of the de ad (let 'em go right ahead) You just dry your eyes girl, and c'mon c'mon let's go to bed, baby, baby

I swear I'll drive all night just to buy you some shoes And to taste your tender charms And I just wanna sleep tonight again in your arms

There's machines and there's fire waiting on the edge of town They're out there for hire but baby they can't hurt us now Cause you've got, you've got, you've got, you've got my love, y ou've got my love Through the wind, through the rain, the snow, the wind, the rai n You've got, you've got my, my love heart and soul
