

# Gotta Get That Feeling

Bruce Springsteen

Yeah girl, now won't you come on out tonight  
Little girl, now where the stars will shine real bright  
Yeah I gotta get that feeling  
Yeah I wanna get that feeling  
Whoa back again  
Yeah back again

Tonight, yeah there's something here in the air  
Tonight, I ain't got money but I don't care  
I gotta get that feeling  
Yeah I wanna get that feeling  
And before the night is through  
You gonna get that feeling too

Hold me in your arms and baby take everything  
Let the light shine, and if we dare to be  
Yeah yeah yeah yeah  
Da da da da da da  
Da da da da da da  
Da da da da da da

Tonight, well there's something in the air  
And tonight, yeah we ain't got money but I don't care  
Yeah we gotta get that feeling  
Yeah we gotta get that feeling  
Whoa back again  
Whoaaaa  
Say say say say  
Do do hum do do do  
Yeah yeah yeah yeah  
Do do hum do do do  
Do do hum do do do  
Do do hum do do do  
Whoaaaa yeah  
Do do hum do do do  
Do do hum do do do  
Do do hum do do do  
Whoaaaa yeah  
Do do hum do do do
