

Heaven's Wall

Bruce Springsteen

(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
One, two, three, four (Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)

There was a woman waiting at the well
Drawing water 'neath the desert sky blue
She said, "It'll heal the blind, raise the dead, cure the sickness out of you"
Come on men of Gideon
Come on men of Saul
Come on sons of Abraham
We waiting outside heaven's wall

Raise your hand, raise your hand, raise your hand
Raise your hand, raise your hand, raise your hand
And together we'll walk into Canaan land
Raise your hand, raise your hand, raise your hand

He saw a watcher at the city gates
Jonah in the belly of the whale
He watched you walk your ragged mile
His mercy did not fail

(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
And together we'll walk into Canaan land
(Raise your hand, raise your hand, raise your hand)
Hey!

Li li-li li, li li-li li
(Li li-li li, li li-li li)

Whoa! Whoa!

Raise your hand, raise your hand, raise your hand
Raise your hand, raise your hand, raise your hand
And together we'll walk into Canaan land
Raise your hand, raise your hand, raise your hand

Raise your hand, raise your hand, raise your hand
Raise your hand, raise your hand, raise your hand
And together we'll walk into Canaan land
Raise your hand, raise your hand, raise your hand

(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
And together we'll walk into Canaan land
(Raise your hand, raise your hand, raise your hand)

(Raise your hand, raise your hand, raise your hand)
(Raise your hand, raise your hand, raise your hand)
And together we'll walk into Canaan land
(Raise your hand, raise your hand, raise your hand)
