

Held Up Without A Gun

Bruce Springsteen

A **D** **A**
1. I was out driving just a taking it slow
Looked at my tank it was reading low
Pulled in a Exxon station out on Highway One
D **E** **A** **D** **E** **A**
Held up without a gun, held up without a gun

2. Some damn fool with a guitar walking down the street
Ain't got nowhere to go ain't got nothing to eat
Man with a cigar says, "Sign here son"
Held up without a gun, held up without a gun

Solo: **D D D D E E A A** (2x)

3. Now it's a sin and it oughta be a crime
You know it happens buddy all the time
Try to make a living, try to have a little fun
