

Human Touch

Bruce Springsteen

A G D (2x)

A **G** **D**
You and me we were the pretenders

A **G** **D**
We let it all slip away

A **G** **D**
In the end what you don't surrender

G **A**
Well the world just strips away

A **G** **D**
Girl, ain't no kindness in the face of strangers

A **G** **D**
Ain't gonna find no miracles here

A **G** **D**
Well you can wait on your blesses my darling

G **A**
I got a deal for you right here

G **D**
I ain't looking for praise or pity

G **D** **G**
I ain't coming 'round searching for a crutch

G **D**
I just want someone to talk to

G **A**
And a little of that Human Touch

G **A**
Just a little of that Human Touch

A G D

A **G** **D**
Ain't no mercy on the streets of this town

A **G** **D**
Ain't no bread from Heavenly skies

A **G** **D**
Ain't nobody drawing wine from this blood

G **A**
It's just you and me tonight

G **D**
Tell me, in a world without pity

G **D** **G**
Do you think what I'm askin's too much

G **D**
I just want something to hold on to

G **A**
And a little of that Human Touch

G **A**
Just a little of that Human Touch

A G D (3x)

Bmi **G** **D** **A**
Oh girl that feeling of safety that you prize

Emi **Bmi**
 Well it comes at a hard hard price
Bmi **G** **D** **A**
 You can't shut off the risk and the pain
Emi **Bmi**
 Without losing the love that remains
Bmi **G G D G D**
 We're all riders on this train

A G D

A **G** **D**
 So you've been broken and you've been hurt
A **G** **D**
 Show me somebody who ain't
A **G** **D**
 Yeah, I know I ain't nobody's bargain
G **A**
 But, hell, a little touch up and a little paint

G **D**
 You might need something to hold on to
G **D** **G**
 When all the answers, they don't amount to much
G **D**
 Somebody that you could just to talk to
G **A**
 And a little of that Human Touch

G **D**
 Baby, in a world without pity
G **D** **G**
 Do you think what I'm askin's too much
G **D**
 I just want to feel you in my arms
G **A**
 Share a little of that Human Touch
G **A**
 Share a little of that Human Touch
G **A**
 Feel a little of that Human Touch
G **A**
 Feel a little of that Human Touch
G **A**
 Share a little of that Human Touch
G **A**
 Feel a little of that Human Touch
G **A**
 Give me a little of that Human Touch
