

Leah

Bruce Springsteen

B **Es**
I wanna build me a house, on higher ground
B **Es**
I wanna find me a world, where love's the only sound
F **Es**
High above this road, filled with shadow and doubt
F **Es**
I want to shoulder my load, and figure it all out
B
With Leah

B **Es**
I walk this road, with a hammer and a fiery lantern
B **Es**
With this hand I've built, and with this I've burned
F **Es**
I wanna live in the same house, beneath the same roof
F **Es**
Sleep in the same bed, search for the same proof
B
As Leah

B **Es**
I got somethin' in my heart, I been waitin' to give
B **Es**
I got a life I wanna start, one I been waitin' to live
F **Es**
No more waitin', tonight I feel the light I say the prayer
F **Es**
I open the door, I climb the stairs...
