Bruce Springsteen

```
   Bm
1. I got a coin in my palm
   D
   I can make it disappear
   Bm
   I got a card up my sleeve
   D
   name it and I'll pull it out your ear
   A
   I got a rabbit in my hat
   Bm
   if you wanna come and see
   D       A         Bm
   This is what will be
   D       A         Bm
   this is what will be

2. I got shackles on my wrists
   soon I'll slip 'em and I'll be gone
   Chain me in a box in the river
   and I'll rise singing this song
   Trust none of what you hear
   and less of what you see
   This is what will be
   this is what will be

3. I got a shiny saw blade (a shiny saw blade)
   all I need's a volunteer
   I'll cut you in half
   A
   while you're smiling ear to ear
   Bm
   And the freedom that you saw
   D
   drifting like a ghost in both the trees
   This is what will be
   this is what will be

4. Now there's a fire down below
   but it's coming up here
   So leave everything you know
   carry only what you fear
   On the road the sun is sinking low
   there's bodies hanging in the trees
   This is what will be
   this is what will be
```
