

Mr. Outside

Bruce Springsteen

They call him Mr. Outside 'cause he don't care
Mr. Outside, he's just having his fun
Mr. Outside, he's just looking out for number one
Alright now

Well Mr. Outside, oh your money and your power
Won't help you come the dark hour
Kingdoms crumble to your feet
You're left another thief out on the street
Oh yeah

Mr. Outside, yeah he don't care
Mr. Outside, he's just having his fun
Mr. Outside, oh looking out for number one

Yeah
Oh, dark glasses and money for hire
All the riches and high-tension wire
He got long dark dark Cadillac
He got pretty little little girl in back

Mr. Outside, oh Lord he don't care
Mr. Outside, oh just having his fun
Mr. Outside, he's just looking out for number one

Mr. Outside, oh yeah he don't care
Mr. Outside, he's just having his fun
Mr. Outside, he's just looking out for number one
