

Nothing Man

Bruce Springsteen

D **G**
I don't remember how I felt
Bm **D**
I never thought I'd live
G
To read about myself
Bm **D**
In my hometown paper
G
How my brave young life
Bm **D**
Was forever changed
G
In a misty cloud
Bm **G** **D**
Of pink vapor
Bm
Darlin' give me your kiss
G **D**
Only understand
A **Bm** **G** **D**
I am, the nothing man

A **Bm** **G** **D**

Friday night
The club meets at Al's Barbecue
The sky is still
The same unbelievable blue
Darlin' give me your kiss
Come and take my hand
I am, the nothing man

You can call me Joe
Buy me a drink and shake my hand
You want courage
I'll show you courage you can understand
The pearl and silver
Restin' on my night table
It's just me Lord
Pray I'm able
Darlin, with this kiss
Say you understand

I am, the nothing man
I am, the nothing man
