

# One Minute You're Here

Bruce Springsteen

Big black train comin' down the track  
Blow your whistle long and long  
One minute you're here  
Next minute you're gone

I lay my penny down on the rails  
As the summer wind sings its last song  
One minute you're here  
Next minute you're gone

Baby baby baby  
I'm so alone  
Baby baby baby  
I'm coming home

Autumn carnival on the edge of town  
We walk down the midway arm-in-arm  
One minute you're here  
Next minute you're gone

I thought I knew just who I was  
And what I'd do but I was wrong  
One minute you're here  
Next minute you're gone

Red river running along the edge of town  
On the muddy banks I lay my body down, this body down

Footsteps cracklin' on gravel roads  
Stars vanish in a sky as black as stone  
One minute you're here  
Next minute you're gone  
One minute you're here  
Next minute you're gone  
One minute you're here
