

# One Step Up

Bruce Springsteen

- G**  
1. Woke up this morning my house was cold  
**D**  
Checked out the furnace she wasn't burnin'  
**Em7**  
Went out and hopped in my old Ford  
**D**  
Hit the engine but she ain't turnin'  
**G**  
We've given each other some hard lessons lately  
**D**  
But we ain't learnin'  
**Em7** **D** **G**  
We're the same sad story that's a fact  
**G** **Em7** **D**  
One step up and two steps back
2. Bird on a wire outside my motel room  
But he ain't singin'  
Girl in white outside a church in June  
But the church bells they ain't ringing  
Sittin' here in this bar tonight  
But all I'm thinkin' is  
I'm the same old story same old act  
One step up and two steps back
3. It's the same thing night on night  
Who's wrong baby who's right  
Another fight and I slam the door on  
Another battle in our dirty little war  
When I look at myself I don't see  
The man I wanted to be  
Somewhere along the line I slipped off track  
I'm movin' one step up and two steps back
4. There's a girl across the bar  
I get the message she's sendin'  
Mmm she ain't lookin' to married  
And me well honey I'm pretending  
Last night I dreamed I held you in my arms  
The music was never-ending  
We danced as the evening sky faded to black  
One step up and two steps back
