

# Raise Your Hand

Bruce Springsteen

If there's somethin' you need  
All that you'll never, ever, ever had  
I know you've never had it  
Ohh honey, don't you just sit there cryin'  
Don't you sit there feelin' bad  
No, no, no

You better get up  
Now don't you understand?  
And raise your hand  
Hey, hey, hey  
I said raise your hand

You know I'm stayin' above, yes I am  
Want to give you all my love, ohh I do  
Ohh honey, won't you come on and open up?  
I said open up little heart  
Please, won't you let me try? Yea

Got to be good  
Don't you understand?  
Raise your hand  
Hey, hey, hey  
I said raise your hand  
Right here, right now, babe

Woh, yea  
(Yea)  
Woh, aaa, aaa, aaa

Raise your hand  
Raise your hand  
Raise your hand  
Raise your hand  
Raise, eee  
Ohh raise, eee  
Ohh raise, eee  
Ohh raise, eee  
Said, raise your hand, come on  
Raise your hand, feel  
Raise your hand, and I gonna come in  
Raise your hand  
Raise your hand, yea  
Raise your hand, yea  
Raise it up, on up to me, come on  
Raise it up, on up to me now  
Raise it up, on up to me, yea  
Yea
