## **Real Man**

## **Bruce Springsteen**

Took my baby to a picture show Found a seat in the back row Sound came up lights went down Rambo he was blowin' 'em down I don't need no gun in my fist baby All I need is your sweet kiss To get me feelin' like a real man Feelin' like a real man Well you can beat on your chest Hell any monkey can But you got me feelin' like a real man Oh feelin' like a real man

Me and my girl Saturday night Late movie on channel five The girls were droppin' they're droppin' like flies To some smooth talkin' cool walkin' private eye I ain't got no nerves of steel But all I got to know is if your love is real To get me feelin' like a real man Oh feelin' like a real man

Well you can beat on your chest Hell any monkey can Your love's got me feelin' like a real man Oh feelin' like a real man

I ain't no fighter that's easy to see And as a lover I ain't goin' down in history But when the lights go down and you pull me close Well I look in your eyes and there's one thing I know Baby I'll be tough enough If I can find the guts to give you all my love Then I'll be feelin' like a real man Feelin' like a real man Well you can beat on your chest Hell any monkey can You got me feelin' like a real man Oh feelin' like a real man Yeah I been felin' like a real man Feelin' like a real man
