

# Terry's Song

Bruce Springsteen

**G** **C**  
Well they built the Titanic to be one of a kind, but many ships have ruled

**G**  
the seas

**G** **G/F#** **Em** **D** **C**  
They built the Eiffel Tower to stand alone, but they could build another if

**D**  
they please

**G** **C** **G**  
Taj Mahal, the pyramids of Egypt, are unique I suppose

**G** **G/F#** **Em** **D** **G**  
But when they built you, brother, they broke the mold

**G** **C** **G**  
Now the world is filled with many wonders under the passing sun

**G** **G/F#** **Em** **D** **C** **D**  
And sometimes something comes along and you know it's for sure the only one

**G** **C** **G**  
The Mona Lisa, the David, the Sistine Chapel, Jesus, Mary, and Joe

**G** **G/F#** **Em** **D** **G**  
And when they built you, brother, they broke the mold

**C** **G** **C** **G**  
When they built you, brother, they turned dust into gold

**G** **G/F#** **Em** **D** **G**  
When they built you, brother, they broke the mold

**Em** **Em** **Em/F#** **G**  
They say you can't take it with you, but I think that they're wrong

**C** **D**  
'Cause all I know is I woke up this morning, and something big was gone

**G** **C** **G**  
Gone into that dark ether where you're still young and hard and cold

**G** **G/F#** **Em** **D** **G**  
Just like when they built you, brother, they broke the mold

**G** **C** **G**  
Now your death is upon us and we'll return your ashes to the earth

**G** **G/F#** **Em** **D**  
**C** **D**  
And I know you'll take comfort in knowing you've been roundly blessed and cursed

**G** **C** **G**  
But love is a power greater than death, just like the songs and stories told

**G** **G/F#** **Em** **D** **G**  
And when she built you, brother, she broke the mold

**C**

**Em Em/f# G**

That attitude's a power stronger than death, alive and burning her st  
one cold

**G G/F# Em D G**

When they built you, brother
