C Have you ever seen a one trick pony in the field so happy and free **F**

C If you've ever seen a one trick pony then you've seen me **G**

C Have you ever seen a one-legged dog making its way down the street **F**

C If you've ever seen a one-legged dog then you've seen me **G**

F Then you've seen me, I come and stand at every door **C**

F Then you've seen me, I always leave with less than I had before **C**

F Then you've seen me, bet I can make you smile when the blood, it hits the floor **C** **Ami**

G Tell me, fan, can you ask for anything more **F** **Ami**

G Tell me can you ask for anything more **F** **C**

Have you ever seen a scarecrow filled with nothing but dust and wheat

If you've ever seen that scarecrow then you've seen me

Have you ever seen a one-armed man punching at nothing but the breeze

If you've ever seen a one-armed man then you've seen me

Then you've seen me, I come and stand at every door

Then you've seen me, I always leave with less than I had before

Then you've seen me, bet I can make you smile when the blood, it hits the floor

Tell me, fan, can you ask for anything more

Tell me can you ask for anything more

F These things that have comforted me, I drive away **C**

F This place that is my home I cannot stay **C**

F My only faith's in the broken bones and bruises I display **C** **Ami**

Have you ever seen a one-legged man trying to dance his way free

If you've ever seen a one-legged man then you've seen me
