

Valentine's Day

Bruce Springsteen

E

I'm driving a big lazy car rushin' up the highway in the dark

A

I got one hand steady on the wheel and one hand's tremblin' over my heart

E

It's pounding baby like it's gonna bust right on through

A

| **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** |

And it ain't gonna stop till I'm alone again with you

E

A friend of mine became a father last night

A

When we spoke in his voice I could hear the light

E

Of the skies and the rivers the timberwolf in the pines

A

And that great jukebox out on Route 39

E

They say he travels fastest who travels alone

A

| **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** |

But tonight I miss my girl mister tonight I miss my home

C#m

Is it the sound of the leaves left blown by the wayside

Asm

That's got me out here on this spooky old highway tonight

A

Is it the cry of the river with the moonlight shining through

B

That ain't what scares me baby what scares me is losing you

| **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** | **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** |

E

They say if you die in your dreams you really die in your bed

A

But honey last night I dreamed my eyes rolled straight back in my head

E

And God's light came shinin' on through

A

I woke up in the darkness scared and breathin' and born anew

E

It wasn't the cold river bottom I felt rushing over me

A

It wasn't the bitterness of a dream that didn't come true

E

It wasn't the wind in the grey fields I felt rushing through my arms

A

| **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** |

No no baby it was you

E

So hold me close honey say you're forever mine

A

| **E** | **E** | **E** | **E** | **A** | **A** | **A** | **A** |

And tell me you'll be my lonely valentine
