You're Gonna Miss Me When I'm Gone

Bruce Springsteen

The lights are out all over town
The evening sun is sinking down
I know you're good, babe, at moving on
But you're gonna miss me when I'm gone

Bartender's ringing last call
Does anyone hear angels when they fall?
Here's one last drink, dear, and we'll dance to our song
But you're gonna miss me when I'm gone

You're gonna miss me when I'm gone
When the nights get lonely and long
I know you're good, babe, at traveling on
But you're gonna miss me when I'm gone

You're gonna miss me when I'm gone
When the nights get lonely and long
Yeah, I know you're good, babe, at moving on
But you're gonna miss me when I'm gone
