

Machetazos

Brujeria

Ven greáudos, vagos y marijñanos
Mi mesa necesita un cuerpo fresco
Traeme lo vivo, perfiero un giero

A machetazos te arranco la lengua
A machetazos te rozamos la verga
Satanas, rey negro - un machetazo
Cristo sin vida - un machetazo

A machetazos te cojo el ojo
A machetazos te parto el coco

Satanas, rey negro - un machetazo
Cristo sin vida - un machetazo
Hay que bueno me han tratado
Me ha casado un chavo joto
Prepara mi mesa tenemos la cena
Padre negro danos tu bendiciãñ

Come headbangers, roamers and junkies
My table needs a fresh body
Bring him alive, I'd rather a white

With machetazos I take out your tongue
With machetazos we rub your dick
Satan, black king - a machetazo
Christ without life - a machetazo

With machetazos I grab your eye
With machetazos I broke your head

Satan, black king - a machetazo
Christ without life - a machetazo

Hey How well I was treated
I was hunted by a fagget boy
Prepare my table we have the dinner
Black father give us your blessing
