

# Cha Cha Cha

Bruno Mars

You got me tricking, spending my money  
Got my lemon pepper steppers on, ooh, girl, you in trouble tonight  
Uh, I feel like dancing (I feel like dancing)  
Little mama, you turn me on (Little mama, you turn me on)  
Move your body right here, just a little closer next to mine, uh

Come on and cha-cha-cha with me  
And I'ma cha-cha-cha with you tonight  
Oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh

Come on and cha-cha-cha with me  
And I'ma cha-cha-cha with you tonight  
Oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh-ooh

It's so damn poppin', the club pulsing (Ha-ha-ha-ha)  
There's a party at the bakery, ooh, the hooligans, we outside  
Uh, the spotlights on you now (The spotlights on you)  
Let me see what you came to do (Let me see what you came to do)  
Girl, the dance floor is yours and you're looking ready to shred it on fire,  
uh

Come on and cha-cha-cha with me  
And I'ma cha-cha-cha with you tonight  
Oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh

Come on and cha-cha-cha with me  
And I'ma cha-cha-cha with you tonight  
Oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh-ooh

If you're ready, I'm ready, baby  
We can do this all night  
Let's go to the moon a little later  
Hope your wings get to fly

Uh-uh-uh-uh

Come on and cha-cha-cha with me  
And I'ma cha-cha-cha with you tonight  
Oh, oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh

Come on and cha-cha-cha with me, yeah  
And I'ma cha-cha-cha with you tonight, yeah  
Oh, oh, I like you like that, she working that back  
I don't know how to act, ooh-ooh-ooh-ooh

Uh
