Am I in love or am I faded Yeah yeah I wont know until tomorrow Am I in love or am I faded Yeah yeah I don't know Ooh oh Ooh oh

I don't know what it is what it is about ya But I cant seem to take my eyes off ya Gotta let you know that I'm meant to ya The later it gets I gotta have ya Now that I'm at the end of the bottle She looks like a supermodel I think I'm reasy to go oh Give her the keys to my car I think I fell in love with the bar Tonight I'm not going ho-o-ome Ooh

Am I in love or am I faded Yeah yeah I wont know until tomorrow Am I in love or am I faded Yeah yeah I don't know Ooh oh Ooh oh
