

# Nothing On You

Bruno Mars

Beautiful girls all over the world, I could be chasing  
But my time would be wasted, they got nothing on you, baby  
Nothing on you, baby

I know you feel where I'm coming from  
Regardless of the things in my past that I've done  
Most of it really was for the hell of the fun  
On a carousel, so around I spun  
With no direction, just tryna get some  
Tryna chase skirts, living in the summer sun  
And so I lost more than I had ever won  
And honestly, I ended up with none

It's so much nonsense, it's on my conscience  
I'm thinking "maybe I should get it out"  
And I don't wanna sound redundant  
But I was wondering, if there was something that you wanna know  
But never mind that, we should let it go  
Cause we don't wanna be a t.v. episode  
And all the bad thoughts, just let em go, go, go

Beautiful girls all over the world, I could be chasing  
But my time would be wasted, they got nothing on you, baby  
Nothing on you, baby

They might say hi, and I might say hey  
But you shouldn't worry, about what they say  
Cuz they got nothing on you, baby  
Nothing on you, baby  
(N-n-n-nothing on you baby, n-nothing on you)

Hands down, there will never be another one (nope)  
I've been around, and I've never seen another one (never)  
Because your style, I 'aint really got nothin' on (nothing)  
And you wild when you 'aint got nothin' on? (haha)  
Baby you the whole package  
Plus you pay your taxes  
And you keep it real, while them others stay plastic  
You're my Wonder Woman, call me Mr. Fantastic  
Stop  
now think about it

I've been to London, I've been to Paris  
Even way out there in Tokyo  
Back home down in Georgia, to New Orleans  
But you always steal the show  
And just like that girl, you got me froze  
Like a Nintendo 64  
If you never knew, well, now you know, know, know

Beautiful girls all over the world, I could be chasing  
But my time would be wasted, they got nothing on you, baby  
Nothing on you, baby

They might say hi, and I might say hey  
But you shouldn't worry, about what they say  
Cuz they got nothing on you, baby

Nothing on you, baby  
(N-n-n-nothing on you baby, n-nothing on you)

Everywhere I go, I'm always hearing your name  
And no matter where I'm at, girl you make me wanna sing  
Whether a bus or a plane, or a car, or a train  
No other girl's on my brain, and you the one to blame
