1. Girl here we are, in this big old empty room

**Emi**

Staring at ya, who's gonna make the first move

**Dmi**

Been doing our thing for a minute, and now when our hearts are in it

**Emi**

The only place to go, is all the way (ah, hmm)

**Dmi**

B: Is that alright (alright), is that okay (okay)

**Emi**

You don't need to be nervous (no baby)

**Dmi**

Cause I, got, you, all, night

**Emi**

Don't you worry bout a thing babe

**Dmi**

R: Just go with it, go with it, go with it (I will go real)

**Emi**

Slow with it, slow with it, it's our first time

**Dmi**

Go with it, go with it, go with it (I will go real)

**Emi**

Slow with it, slow with it

It's my first time on you, baby

**Dmi**

**Emi**

And I wanna make it right for you  
(it's our first time)

2. Clothes are not required, for what we got planned

Ooo girl you're my desire, your wish is my demand

Treat you like a princess, oh girl you're so delicious

Like ice cream on a summer day gonna eat you before you melt away
