

Something Serious

Bruno Mars

Ooh, I got it bad for ya
You've got to understand
You should be my boo thang, my boo thang
I should be your mans
Girl, don't you want that real love?
I'll always have your back
Don't you want some pretty babies? Pretty babies?
I could give you that

Us together (Oh-oh-oh)
Us together (Somethin' light)
Something serious
Yeah, yeah (Yeah, yeah)

Ooh, I got it bad for ya (Ooh, yeah, yeah, yeah)
You've got to understand (Ooh, yeah, yeah, yeah)
Ooh, you should be my boo thang, my boo thang
I should be your mans (Ooh, yeah, yeah, yeah)
Now, don't you-? Don't you want that real love? (Ooh, yeah, yeah, yeah)
Girl, I'll always have your back (Ooh, yeah, yeah, yeah)
Don't you want some pretty, brown little babies?
I could give you that (Ooh, yeah, yeah, yeah)
You know I can

Us together
Us together (Somethin' light)
Something serious
Yeah, yeah (Yeah, yeah)

Ooh, yeah

Us together
Us together (Somethin' light)
Something serious
Yeah, yeah (Yeah, yeah)

(Ooh, yeah, yeah, yeah)
I'll be there (Ooh, yeah, yeah, yeah)
Say that you need me, girl (Ooh, yeah, yeah, yeah)
Say that you want me, baby (Ooh, yeah, yeah, yeah)
Come on, come on, come on, baby, yeah (Ooh, yeah, yeah, yeah)
Come on, come on, come on, baby, yeah (Ooh, yeah, yeah, yeah)
Let's talk about me and you (Ooh, yeah, yeah, yeah)
Talk about you and me (Ooh, yeah, yeah, yeah)
