

# Straight Up & Down

Bruno Mars

Girl I bet your momma named you good lookin'  
'Cause you sure look good to me  
My attention, oh, yes, you just took it  
You're probably the finest thing that I ever seen  
And nobody at the party droppin' it low like the way that you do  
You got me sayin', "Damn girl, break it down for me"

Take it nice and slow, let me watch while you turn around  
Just back it up on me girl, right now, right now

I got your body rockin' side to side (Straight up!)  
I put you on and now you're feelin' right (Straight up!)  
I know exactly what is is on your mind (Straight up!)  
Oh baby we gon' have some fun tonight  
Straight up and down  
(Straight up, straight up, straight up)  
Straight up and down  
(Straight up, straight up, straight up)  
Oh I know exactly what is is on your mind  
Oh baby we gon' have some fun tonight  
Straight up and down

This liquor got both of us faded, so gone, so gone, so gone  
But your booty deserve a celebration  
And I'm gonna celebrate it all night long  
Come on here and show me why you got the whole club strain' at you

You got me sayin', "Damn girl, break it down for me"

Take it nice and slow, let me watch while you turn around  
Just back it up on me girl, right now, right now

I got your body rockin' side to side (Straight up!)  
I put you on and now you're feelin' right (Straight up!)  
I know exactly what is is on your mind (Straight up!)  
Oh baby we gon' have some fun tonight  
Straight up and down  
(Straight up, straight up, straight up)  
Straight up and down  
(Straight up, straight up, straight up)  
Oh I know exactly what is is on your mind  
Oh baby we gon' have some fun tonight  
Straight up and down

Girl tell me when you're ready  
Ready to go  
Just say the word  
And then we'll take this home  
Don't you fight the feelin'  
'Cause I feel it too  
Freakin' me baby, while I'm freakin' you

I got your body rockin' side to side (Straight up!)  
I put you on and now you're feelin' right (Straight up!)  
I know exactly what is is on your mind (Straight up!)  
Oh baby we gon' have some fun tonight  
Straight up and down

(Straight up, straight up, straight up)  
Straight up and down  
(Straight up, straight up, straight up)  
Oh I know exactly what is is on your mind  
Oh baby we gon' have some fun tonight  
Straight up and down
