Whatching Her Move

Bruno Mars

She Got It She Looking Good
I'm Just Watching Her Move

She Walks On In With Her Retros On
Her Lips As Bright As The Sun
Her Curves Goes Every Which Way
Got Skin Like Porcelain
The Way Her Hair Falls Down Her Back
Billy Accents Her Tattoo?
(Are You Talking To Me?)
The Way Her Hair Falls Down Her Back
Billy Accents Her Tattoo?
Her Legs like A Supermodel
She Worn For Them High Heel shoes

She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do
She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Move

She Pulls Me To The Side
Tells Me She Wants To Go
I Say Girl I'm Yours Tonight
After This I'm Taking You Home
First And For Most I Dance With You

Get You In The Mood
Maybe Later Baby Girl Ill Show You Exactly How I Do

She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do
She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Get It (Get It...)

God Baby
You look Goood
You Sexy
Watch Her Move
Watch Her Move

She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do
She Got Every Single Guy In The Club Just Watching Her Move
And She Don't Wanna Dance With Anyone Let Her Do What She Do

Just Watch Her Get It (Get It...)
Just Watch Her Get It (Get It...)
