

Changes

Brutal Attack

I feel unhappy, I feel so sad
I've lost the best friend that I ever had
She was my woman I loved her so
But it's too late now I've let her go
Chorus:

I'm going through changes 2x
We shared the years we shared each day
In love together we found a way
But soon the world had it's evil way
My heart was blinded love went astray
It took so long to realize
And I can still hear her last goodbyes
Now all my days are filled with tears
Wish I could go back and change these years
