

Choice Of A New Generation

Brutal Truth

Reformation at hand
Our time to stand
Misconceptions are a thing of the past
Enslaved minds give birth to a new generation
Your generation

The myth, a fiction of what you will believe
Lies, corruption, fininaial catastrophe

Legality, the only way

Progressive hemp-minded, call for legality
Ignorant and fearful, rejecting on 13
Their foolish lies will break our backs beyond humanity

Legality the only way
