

# Hypocrite Invasion

## Brutal Truth

So light up  
the blessed pure  
and burn in strong

Brother earth root deep  
bless my soul so i can see  
life beyond the crooked clouds  
life beyond illegalities

Restrictive thoughts  
choking conservatism  
insert your restrictions  
become a number  
searching for your reason  
hypocrite invasion  
light, up burn, smoke...
