

Time

Brutal Truth

I see through.
The gray facade.
Solemn expression.
Time goes on.

Ageless questions.
Pointless passing thoughts.
Time goes on.
Backwards forwards.
Meaningless answers.
Time goes on.

Insight on model values.
Problem faced?
On scriptless parts.
Screaming.
The confrontation.
Problem faced?
Time, time goes on.

I see through.
The gray facade.
Solemn expression.
Time goes on.
