

# Grinderswitch

Brutality

Exhume to grind  
Execute to grind  
Grind to live  
Live to grind

Man I grind  
Woman I grind  
Cube the newborn  
And eat the remains

Unrighteously reminiscing  
My disgorged bowels  
Drink the clotting solution  
Vigorously I absorb this  
Sustenance of skin  
Only to begin again

Revitalize to pulverize  
Communion of the flesh  
Grinderswitch  
Switch of death

Volcanically erupting bile  
And blood  
Razor sharp and intestinal  
Flood
