

# Irreversibly Broken

## Brutality

Admired from a far  
Mesmerized wondering  
Feelings intense  
Strong and secure

Weaknes  
Not a factor  
Suddenly  
Stopped in time

Light flashes in the mind  
Visions of the past  
Vivid memories  
Thoughts of the end  
Questioning reality  
Opportunities in the future  
Chances not taken  
Anger and resentment

Sorrow piercing  
Through the heart  
Walls are built  
To protect

Breached by trust  
Conflicting beliefs  
Emotions  
Controlling actions

Cutting ties of all commitments  
Vows  
Forever broken  
Returning back  
To ones self  
Fears  
Have been conquered

Leaving a mark

That all will remember
