

Tribute

Brutality

Possessed in a pandemonium
Entombed, then unleashed
Blood feast
At the gates of sodom
Hypocrisy from the kreator
Trouble on the edge of sanity
Fate, corrosion of conformity
Dismembered with artistic butchery
A sinister massacre of the priest
Dark funeral, morbid eulogy
Dissection of the carcass
Napalm brings death
Emperor, sitting on the dark throne
Macabre carnage of the corpse
Acheron, lifetime of shame
Venom in the iron maiden
The slayer of morgoth
Hellwitch, countless bathory
Sacrifice on the sabbath
