

## Comin' Over

Brutha

I been sittin here contemplatin comin to your place but I'm hav  
in second thoughts cause I don't wanna fornicate.  
But I remember the last time I was there what you said (baby pl  
ease get up and hit the lights then hit then hit the bed).  
Ooh I remember that secy talk and its makin me think about putt  
in my nikes on and drivin over to your house.  
these thoughts are takin over me and know what I'm gone do. I'm  
jumpin in my whip and drivin over there to see you.

I need you layin next to me (I'm comin over)  
I hear your body tellin me to (come on over)  
In the middle of the night (I'm comin)  
cause girl I really need your lovin  
girl you really got me thinkin I should come on over  
I need your love wanna feel your touch (I'm comin over)  
I hear your voice and its tellin me to (come on over)  
In the middle of the night (I'm comin)  
cause girl I really need your lovin  
girl you really got me thinkin I should come on over

Baby boy I've been waitin for you to get here all day I thought  
you wasn't til you called and said you were on your way.  
That's when I broke out all your favourite sexy lingerie and I  
lit sixteen red candles just to set the mood.  
I heard you pull up so I got in position tonight I'm givin you  
just what you've been missin no turnin back now baby lets get o  
n our mission (since you're here we might as well do what you c  
ame to do)

I need you layin next to me (so come on over)  
I hear your voice and its tellin me (your comin over)  
In the middle of the night (your comin)  
cause boy I really need (your lovin)  
boy you really got me thinkin you should come on over  
I need your love wanna feel your touch (so come on over)  
I hear your body tellin me (your comin over)  
In the middle of the night (your comin)  
cause boy I really need (your lovin)  
boy you really got me thinkin you should come on over
