

You Are

Bry

We have blamed all the movies and songs
for feeding us lies about what love was
And so I'm cynical in my awkward approach
in making you feel beautiful, though I know you won't

I go to crazy extents just to be the guy
Who sees you first thing when he opens his eyes
And radio and screen will back down
for one man's dream, as he tells you finally,
You are whatever love is to me

Don't shy away 'cos there's no concrete plans,
plans are for those who live as safe as they can
And so I'm different in my sudden approach
in asking you to marry me, though I know you won't

I go to crazy extents just to be the guy
Who sees you first thing when he opens his eyes
And radio and screen will back down
for one man's dream, as he tells you finally,
You are whatever love is to me
La la la laa, love is to me
La la la laa, love is to me
La la la laa, what love is to me

I go to crazy extents just to be the guy
Who sees you first thing when he opens his eyes
And radio and screen will back down
for one man's dream, as he tells you finally,
You are whatever love is to me
