

# Always Have, Always Will

Bryan Adams

Oh, you always have, you always will  
We've been through it all, and we're together still

I can always depend on you  
You give me trust, that is true  
I loved you yesterday, I love you still  
I always have and always will  
You're so beautiful, amazing  
So beautiful, it's indisputable

Oh, you always have, you always will  
We've been through it all, and we're together still, yeah  
Ain't nothing can shake it, ain't nothing can break it  
You're the only one that makes my heart stand still  
You always have and you always will

When my life seemed done, you made it last longer  
They say a man is strong, but a woman is stronger  
You're so beautiful, amazing  
So beautiful, it's indisputable

Oh, you always have (Always have), you always will (Always will  
)  
We've been through it all (We've been through it all)  
And we're together still (Yeah)  
Ain't nothing can shake it, ain't nothing can break it  
You're the only one that makes my heart stand still  
You always have and you always will

Oh, because you're so beautiful (Always have)  
Amazing (Always will)  
So beautiful (We've been through it all), indisputable (And we'  
re together still)  
You always have (Always have), you always will (Always will)  
We've been through it all (We've been through it all)  
And we're together still (We're together still)  
Ain't nothing can shake it, ain't nothing can break it  
You're the only one that makes my heart stand still  
You always have and you always will
