

Be The Reason

Bryan Adams

Callin' all my sisters, callin' my brothers
Callin' all you, fathers, and all you, mothers
With just a simple gesture, just a simple word
You can make things better and change somebody's world

A better way
A better future
A brighter year
A higher gear

Oh, be the reason someone smiles
The reason someone smiles
Be the reason someone smiles
Today, today, today, today
Every day

Calling my lovers and my haters
All creators and spectators
Love is the answer and the call
Love's a free fall to heal all

A better way
A better future
A brighter year
A higher gear

Oh, be the reason someone smiles
Be the reason someone smiles
Be the reason someone smiles
Today, today, today, today
Every day

Every day
Every day
Be the reason, oh yeah

Be the reason someone laughs
Be the reason someone laughs
Be the reason someone laughs
Today, today, today, today
Yeah

Be the reason someone laughs
Be the reason someone laughs
Be the reason someone laughs
Today, today, today, today
Yeah, and every day
