

Before the Night Is Over

Bryan Adams

Hey baby I got someone n' you got someone too
Hey baby I don't know what we're gonna do
How can something wrong feels o right
Come on baby hold on tight

Before the night is over
We gonna get what we desire
Remember what I told ya
This could set our hearts on fire

Hey baby we're old enough to know that it's a sin
Hey baby the door is open slide on in
This feels too good to be true
I'll tell ya what I want to do

Before the night is over
We gonna get what we desire
Remember what I told ya
This could set our hearts on fire

I don't want to tell a lie
This is something we can't hide
