

# Christmas Time

Bryan Adams

1. We waited it all through the year  
for the day to appear  
we could be together in harmony  
You know the time will come  
peace on earth for everyone  
and we can live forever  
in a world where we are free  
let it shine for you and me

something about christmas time  
that makes you wish it christmas everyday  
to see the joy in the children's eyes  
the way that the old folks smile  
says that christmas will never go-ou away

2. We're all as one tonight  
makes no difference if you'r black or white  
cause we can sing together in harmony  
I know its not too late  
the world would be a better place  
if we can keep the spirit  
more than one day in the year  
send a message loud and clear
