

# Cloud Number Nine

Bryan Adams

- C**  
1. Clue number one was when you knocked on my door  
**F**  
Clue number two was the look that you wore  
**G**  
That's when I knew it was a pretty good sign  
**F** **C**  
That something was wrong up on cloud number nine  
**G** **C**  
Well, it's a long way up and we won't come down tonight  
**G** **F**  
Well, it may be wrong but baby it sure feels right
- C**  
R: And the moon is up and the stars are bright  
**F**  
and whatever comes gonna be alright  
**G**  
cause tonight you will be mine  
**C**  
up on cloud number nine  
**C**  
And there ain't no place I'd rather be  
**F**  
and we can't go back but you're here with me  
**G**  
yeah, the weather is really fine  
**C**  
up on cloud number nine
2. Now he hurt you and you hurt me  
and that wasn't the way it was supposed to be  
so, baby tonight let's leave the world behind  
and spend sometime up on cloud number nine  
well, it's a long way up and we won't come down tonight  
well, it maybe wrong but baby it sure feels right

R: And the moon is up...

Solo: **C** **Ami** **G**

**G**  
Well, we won't come down tonight  
**G**  
Ya we won't come down tonight  
**G**  
No, we won't come down tonight...

R: And the moon is up...

**G**  
We can watch the world go by  
**C**  
Up on cloud number nine...
