

Heaven

Bryan Adams

C **Ami** **G**
1. Oh, thinking about all our younger years
Dmi **Ami**
There was only you and me,
Dmi **G**
we were young and wild and free

Now, nothing can take you away from me
We've been down that road before
But that's over now, you keep me comin' back for more

F **G** **Ami**
R: Baby you're all that I want
C **F**
When you're lying here in my arms
F **G** **Ami** **G**
I'm finding it hard to believe we're in heaven

And love is all that I need
And I found it here in your heart
It isn't too hard to see we're in heaven

2. Oh, once in your life you find someone
Who will turn your world around
Bring you up when you're feeling down

Yeah, nothing could change what you mean to me
Oh there's lots that I could say
But just hold me now, 'cause our love will light the way

R: Baby you're all...

Dmi **F**
I've been waiting for so long
C **Ami**
For something to arrive
Dmi **G**
For love to come along

Dmi **F**
Now our dreams are coming true
C **Ami**
Through the good times and the bad
G
Yeah, I'll be standing there by you

R: Baby you're all...
