**Bryan Adams** 

Hey Elvis won't cha come back home I left a message on your code-a-phone I tried to reach ya but I can't get through Hey Elvis where the hell are you? Somebody saw you at the shopping mall Somebody said they heard that Southern draw Hey Elvis is it really true We're all waitin' for a sign from you Everybody knows about your pink Cadilac Everybody's wonderin' when you're comin' back Everbody's waitin' just to hear ya sing Hey Elvis, You're still the king Hey Elvis won't cha come back soon Nobody's rockin' in the jungle room Come December don't know what we'll do Be a blue Christmas without you Everybody knows about your pink Cadilac Everybody's wonderin' when you're comin' back Everbody's waitin' just to hear ya sing Hey Elvis, You're still the king

Love Me Tender - Don't Be Cruel Return To Sender - Stuck On You It's Now Or Never - Suspicious Minds Hey Elvis aren't ya lonesome tonight Hey Elvis can't ya see They need you back in Memphis, Tennessee They're makin' records but there's nothin' new Nobody ever done it quite like you

Everybody knows about your pink Cadilac Everybody's wonderin' when you're comin' back Everbody's waitin' just to hear ya sing Hey Elvis, You're still the king Everybody knows about your Lisa Marie Everybody knows about TCB Everybody's waitin' just to hear ya sing come back to Memphis, Elvis - you're still the King
