## If You Wanna Leave Me (Can I Come Too?)

## **Bryan Adams**

You can't stand still for a moment You can't stand still for a night Your feet just starta move when it's boring But you gotta stick around to get it right So get it right You can't find love in the kitchen You walk the dark side of the street You can't find any hope in religion Ya gotta feel the road under your feet

I'm gonna shed a little light I'm gonna love ya every night We'll get it right - get it right!

If you wanna leave me can I come too If you wanna leave me gonna go with you If you say no - I'm still gonna go If you wanna leave me - can I come too?

You try 'n keep dry in the water You try 'n keep cool in the fire The politics of love are getting harder So grab a hold, take my hand, we'll take it higher!
