

## Inside Out

Bryan Adams

The biggest lie you ever told your deepest fear 'bout  
Growin' old  
The longest night you ever spent the angriest letter you  
Never sent  
The boy you swore you'd never leave the one you kissed on  
New years's eve  
The sweetest dream you had last night your darkest hour  
Your hardest fight

I wanna know you like I know myself  
I'm waitin' for you there ain't no one else  
Talk to me baby scream and shout  
I want to know you - inside out  
I wanna dig down deep - I wanna lose some sleep  
I wanna scream and shout - I wanna know you inside out  
I wanna take my time - I wanna know your mind  
Ya know there ain't no doubt - I wanna know you inside out

The saddest song you ever heard - the most you said with  
Just one word  
The loneliest prayer you ever prayed - the truest vow you  
Ever made  
What makes you laught, what makes you cry  
What makes you mad, what gets you by  
You highest hight, your lowest low - these things I want to  
Know

I wanna know you - like I know myself  
I'm waitin' for you - there ain't no one else  
Talk to me baby - scream and shout  
I want to know you - inside out  
I wanna dig down deep - I wanna lose some sleep  
I wanna scream and shout - I wanna know you inside out  
I wanna take my time - I wanna know your mind  
Ya know there ain't no doubt - I wanna know oyu inside out  
I wanna know your sould - I wanna lose control  
C'mon n' let it out - I wanna know you inside out  
Ya gotta dig down deep - I wanna lose some slieep  
I wanna scream and shout - I wanna know oyu inside out  
Tell me everything...
