

It Ain't a Party... If You Can't Come 'Round

Bryan Adams

It ain't a party - if you can't come 'round
You can drive the car - I'll play my ol' guitar
Come back to me - come back to me
Ya we can get some beer - ya let's get outta here
Come back to me - come back to me
We'll find a place to go - no one will ever know
Somewhere that's outta town
Put a blanket on the ground - baby
N' we can really go crazy
Babe it ain't a party - if you can't come 'round
Can't even get started - if you don't come down
Even Saturday - ain't a holiday - if you stay away
No - no it ain't a party - if you can't come 'round

Slip into somethin' tight - we'll slip into the night
Come back to me - come back to me
We'll see the sun go down - 'n maybe fool around
Come back to me - come back to me
Ya we can start a fire - maybe get a little higher
Don't worry what to bring - cuz we got everything - baby
And we can really go crazy

Babe it ain't a party - if you can't come 'round
Can't even get started - if you don't come down
Even Saturday - ain't a holiday - if you stay away
No - no it ain't a party - if you can't come 'round
