

Just About Gone

Bryan Adams

Well, I'm just about ready to cash my chips
You been treatin' me like I don't exist
I been hangin' on and now I'm just about gone
You been dishin' out some kind of abuse
Lookin' for some kind of excuse
What ya waitin' on? Yeah, I'm just about gone

I don't care what scene you're makin'
I don't care whose calls you're takin'
I don't wanna know what's goin' on
Oh, I'm just about gone

You been draggin' yourself all over town
Leavin' your dirty laundry around
It's the same old song, I'm just about gone
You been lookin' for someone to blame
Tryin' to slander my good name
Go n' drop the bomb, 'cause I'm just about gone

I don't care what scene you're makin'
I don't care whose calls you're takin'
I don't wanna know what's goin' on
Yeah, yeah, I'm just about gone
Come, on

I don't care what scene you're makin'
I don't care whose calls you're takin'
I don't wanna know what's goin' on
Yeah, yeah, I'm just about gone

You can call me a liar, call me a player
Call me a cab, honey, I don't care
I'm movin' on
Yeah, I'm just about gone

I don't care what scene you're makin'
I don't care whose calls you're takin'
I don't wanna know what's goin' on
Yeah, yeah, I'm just about gone
