Remembrance Day

Bryan Adams

For our king and our country and the promise of glory We came from Kingston and Brighton to fight on the front line

Just lads from the farms and boys from the cities Not meant to be soldiers we lay in the trenches

We'd face the fighting with a smile - or so we said If only we had known what danger lay ahead

The sky turned to grey as we went into battle On the fields of Europe young men were fallin'

I'll be back for you someday - it won't be long If I can just hold on 'til this bloody war is over

The guns will be silent on Remembrance Day There'll be no more fighting on Remembrance Day

By October of 18 Cambrai had fallen Soon the war would be over and we'd be returnin'

Don't forget me while I'm gone far away Well it won't be long 'till I'm back there in your arms again

One day soon - I don't know when You know we'll all be free and the bells of peace will ring aga in

The time will come for you and me We'll be goin' home when this bloody war is ended

The guns will be silent on Remembrance Day We'll all say a prayer on Remembrance Day

On Remembrance Day - say a little prayer On Remembrance Day

Well the guns will be silent There'll be no more fighting Oh we'll lay down our weapons On Remembrance Day
