

# The Way You Make Me Feel

Bryan Adams

Couldn't feel much better  
Than the way I fell tonight  
Feel like I could live forever  
Feel like I could fly  
When I thought I'd get it wrong, yeah  
You somehow make things right  
That's the way you make me feel  
Better than I've ever known it  
Better than it's ever been  
I can't seem to control it, no  
The way you make me feel  
Like the sun coming up in the morning  
Like holding the world in your hands  
In a way I could never imagine (yeah)  
The way you make me feel

I couldn't feel much better  
Than when I'm here with you  
You make everything seem so easy  
I'm telling you the truth  
You never try to please me  
But somehow...you always do

The way you make me feel, yeah  
The way you make me feel

The simple things you do to me  
Simple things you say  
I sometimes can't believe it's for real

The way you make me feel, yeah  
The way you make me feel  
The way you make me feel
