

There Will Never Be Another Tonight

Bryan Adams

Put on your best dress darling
Can't you see the time is right
There will never be another tonight
Come on!

If You got your motor runnin', then I got my engines on
'Say the word and darlin' we'll be gone

Outside the world is waitin' but we won't lose control
So come on now and good times
roll

You gotta ride your broom right into my room
Kick off your shoes and make yourself at home
Wave your little wand - weave a little spell
Make a little magic - raise some hell

There will never be another tonight
C'mon baby - hold on tight
There will never be another tonight
I don't care if it's wrong or right
We got nothing to lose just me and you
In your wildest dreams...
There'll never be another tonight

Who cares about tomorrow, let the wind fill your sails
A runaway train ridin' on the rails. We got the bases loaded
Homerun - double play. Tonight's the night we're going all the way

You gotta ride your broom right into my room
Kick off your shoes and make yourself at home
Wave your little wand - weave a little spell
Make a little magic - raise some hell

There will never be another tonight, C'mon baby - hold on tight
There will never be another tonight, Flash your diamonds shine your lights
There'll never be another tonight, I don't care if it's wrong or right
We got nothing to lose just me and you
In your wildest dreams... There'll never be another tonight

Some people they're looking for paradise
Other's they're searching for inner light
Me I'm just having the time of my life
I'm heading out, to check it out - check it out

You gotta ride your broom right into my room
Kick off your shoes and make yourself at home
Wave your little wand - weave a little spell
Make a little magic - raise some hell

There will never be another tonight, C'mon baby - hold on tight
There will never be another tonight, Flash your diamonds shine your lights
There'll never be another tonight, I don't care if it's wrong or right
There will never be another tonight, C'mon baby - hold on tight
We got nothing to lose just me and you
In your wildest dreams... There'll never be another tonight
