

Two Arms To Hold You

Bryan Adams

I won't let you down, I'll be there right by your side
I will stick around, I'll do my best to provide
I will sacrifice
So, take a good look, check out what you see
I ain't tall, dark, and handsome
But I'm a man you can count on, that's me
Can't ya see?

I got one heart to love you, two eyes to see you
Two arms to hold you for warmth through the night
I got two lips to kiss you, one soul to miss you
Two arms to hold you closer tonight

I won't hold you down, you do what you gotta do
I'll always be around
In case you need someone, a shoulder to lean on
And not just some son of a gun
I might be the one
So, when you're done

I got one heart to love you, two eyes to see you
Two arms to hold you for warmth through the night
I got two lips to kiss you, one soul to miss you
Two arms to hold you closer tonight

I got two arms to hold you, two long arms
I got two arms to hold you all night long

I got one heart to love you, two eyes to see you
Two arms to hold you for warmth through the night
I got two lips to kiss you, one soul to miss you
Two arms to hold you closer tonight

I got one heart to romance, two legs to dance
Two hands to keep you and hold you each night
I got no mind to quit you, and none to resist you
Two arms to hold you closer tonight
Two arms to hold you closer tonight
