Dmi

B C

Don't blame yourself, you're just a victim of love

2. It doesn't matter who was right or wrong

When the fire is over, when the magic's gone

You pick up the pieces, and do the best you can

It knocks you down, but you try it again

You get a little older, it's a cryin' shame

Sometimes things don't work out like you plan

G

*: Who's gonna help you when you've had enough

Dmi

B C

It ain't no secret you're a victim of love

G

Heaven knows what you were thinkin' of

Dmi

B

Don't blame yourself, you're just a victim of love

3. One goodbye was really all it took

Now you thumb through the pages of your little black book

But somehow all the numbers look the same

You've been thinkin' how to get around it

But there ain't nothin' you can do about it

Nothin' ventured, nothin' gained

R: Heaven knows what you...

Ain't nothin's you can do about it

Call it what you want but you're a victim of love

Who's gonna help you when you've had enough

Ain't no secret you're a victim of love
